Homecoming '83

On November 11 at the Holy Cross Armenian Cathedral, a great event was about to commence, the announcement of the 1983 Homecoming Court would soon be here. The night was filled with high tension and great expectations for all who came. The dance began at 9:00 P.M. and would finish at 1:00 A.M. Finally the moment we were all waiting for came. The announcement of the 1983 Homecoming Court: The king was Tommy Johnson, The queen Rosa Valenzuela. The 12th grade prince was Javier Flores, and 12th grade princess Angie Moreno, 11th grade prince Eddie Marquez, Princess Rosemary Garcia, 10th grade prince Oscar Jimenez, princess Corie Lopez.

As Liz Solis put it, "It was a Homecoming that no one there, will ever forget. Especially all those Moves."

What's New?

The 83-84 school year proved to be an event-filled term with a number of promising renovations that have altered the status of our school. Among these changes were; the vigorous struggle for rights, between the Teachers' Union and the Board of Education. The long awaited merger of computers into Roosevelts' educational system, and the provisions to renovate the appearance of our school under the new leadership of principal Henry Ronquillo.

On September 16, 1983, teachers in the district, including our school, went on strike. The teachers opposed district mandatory transfer policy and wanted a salary increase. These issues were under consideration for about a month before being resolved. Teachers received a pay increase and a compromise was acquired with respect to district transfers. During the strike at Roosevelt, some of the teachers of union sympathy participated in a one day boycot. Students who were without teachers for the day were asked to go to the auditorium were administration and remaining faculty provided for a daily activity.

The computer competency iniative at Roosevelt is viewed as step to add additional dimensions to to already existing programs. Math, Science, and English departments will utilize computers to aid and accelerate teaching those students who like a bit more excitement in learning computer capabilities. Students will have the opportunity to use their newly acquired skills with the assistance of Larry Rodriguez, Mr. Porter and Nora Comelli who are in charge of leading and maintaining the computers. In addition, all students are given the opportunity to use the equipment during nutrition and lunch.

With the combined efforts of district painters and Mr. Nick Kennedy's Horticulture class, the campus surroundings have been revitalized to the esteemed image that once was held by our school. The painters did an excellent job in painting the entire school with a minimum amount of disruption to class activities. Unfortunately, during the course of painting, a neighboring schools vandalized the painter's work and prolonged completion.

The horticulture class has devoted much of their time and efforts in planting roses and a variety of plants to beautify campus surroundings. Their efforts have persuaded the student body that the horticulture's classes efforts were permanent and a positive major change. Student body reaction has been great as they didn't trample the plants nor did they write on the walls. Roosevelt is in full bloom, ready for the 1984 Olympics.

The school is finally recognized by the mural that reads "Home of the Mighty Riders". This piece of artwork is indeed an extra "touch of class". With time and combined efforts Roosevelts' academic programs, along with its campus, will become known as one of the better schools in Los Angeles.

Campus World Events

Campus and World Events

In the year of 1983-84 many events occured throughout the world that affected the way people thought, the way they spoke, and the new life styles adopted.

This year was the year in sports for Los Angeles, and for Roosevelt. The Summer Olympic games will once again be held in Los Angeles, the last time being in 1932. Roosevelt's Olympic size swimming stadium will be a training site for Olympic contestants. Roosevelt will also have a former R.H.S. student, Paul Gonzales from the class of 82, going for the gold as a contender in the Olympic event of Boxing.

In football; the Los Angeles Raiders became Super Bowl XVI Champs after defeating the former Super Bowl Champs, the Washington Redskins.

In basketball; Kareem Abdul-Jabbar from the Los Angeles Lakers became the all time leading basketball scorer by passing Wilt Chamberlain's record.

In Olympic skiing; Bill Johnson became the first American to ever capture a gold medal in downhill skiing.

In the world of show business; Michael Jackson's album "Thriller" became the world's all time leading album ever sold, staying in the number one position for over a year.

In Politics; 1984 was the year of the presidential election in where the final candidates were Democrats, Senator Gary Hart, Senator Walter F. Mondale, and Reverand Jesse Jackson.

In world crisis; the U.S. Marines pulled out of Lebanon, after more than 200 American soldiers were killed in October. Grenada was invaded by American troops in November. U.S. also had been giving Military Aid to the Salvadorean government.

In Los Angeles; East Los Angeles and many other areas, became the target for the chemical spraying to kill the Mexican Fruit Fly.

1984 to many people was a year of many disappointments while for others it was a year of rejoice. Yet for the students leaving R.H.S. it will be a time to depart and face the real world.

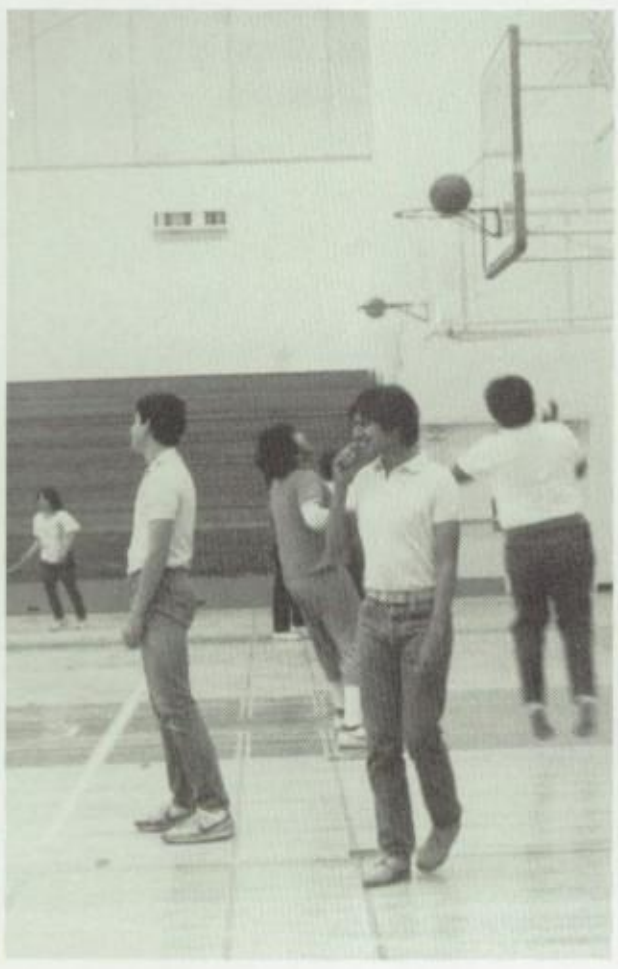
SPORTSNIGHTS

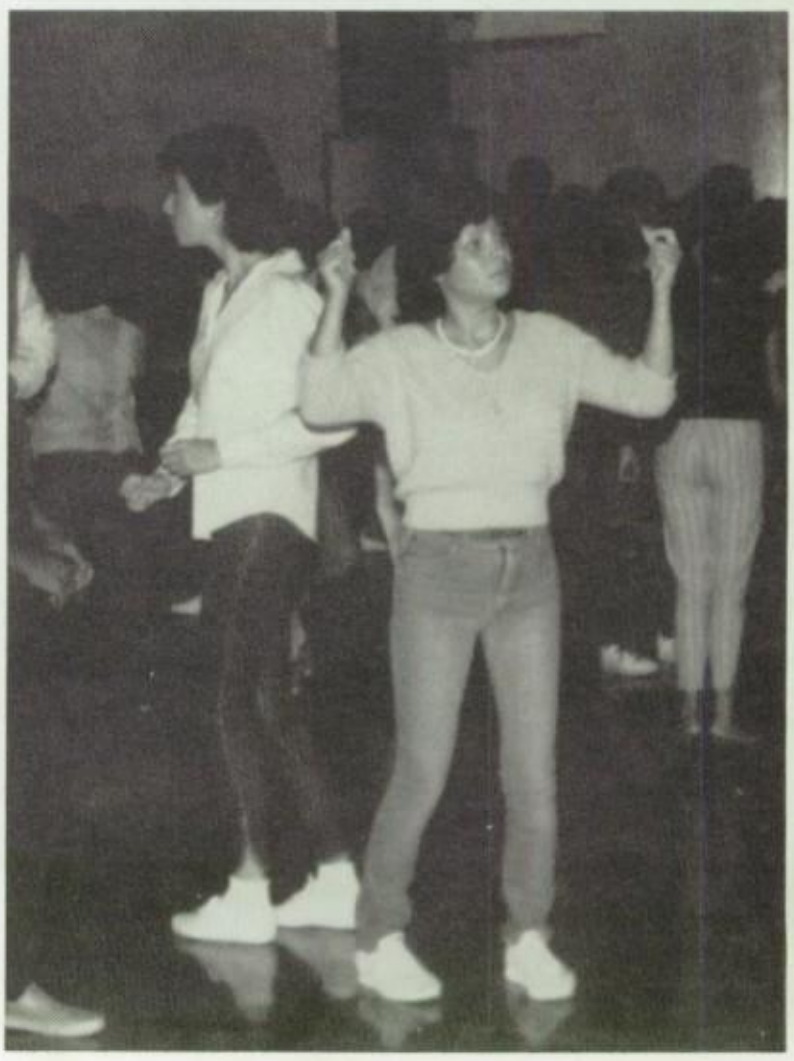
For the past 34 yrs. Roosevelt has been successful with their weekly sportsnight. Sportsnights include dancing and games in which the students can participate. In the girls gym there is music which is played by "PRESTIGE"; and in the boys gym they can play basketball, pool, ping pong, or they can sit on the bleachers and watch. There is also a room where one can play chess or checkers. The cost is $1.50 and refreshments cost 25¢. Many students enjoy sportsnite that they even look forward to it.

Hey! Where's my partner?

Come back! Show me some more moves.



Riders show off their talents.



Powder-Puff Dance

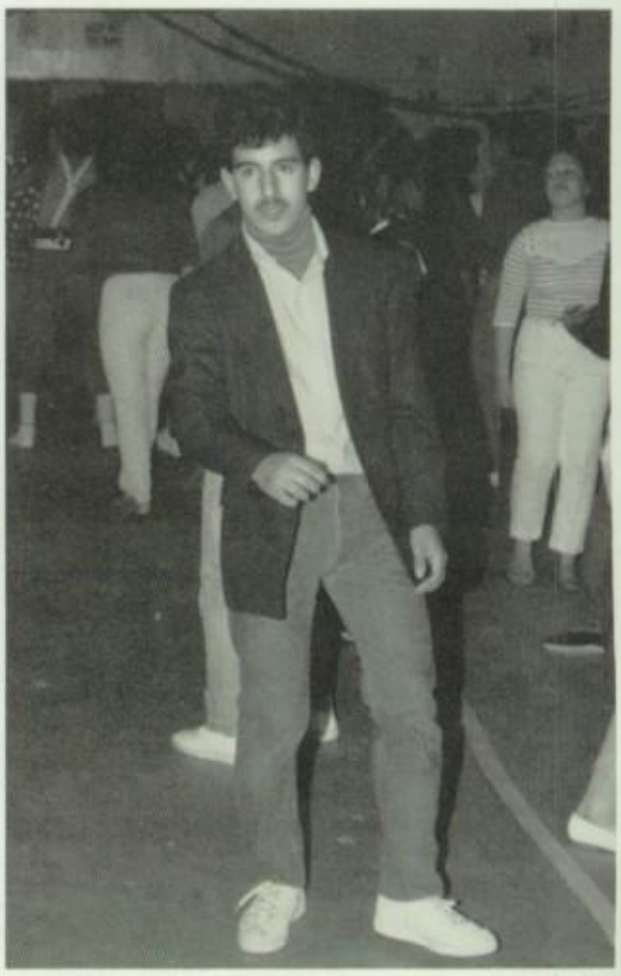
This years Powder Puff dance was held on March 2nd. The dance was sponsored by the Junior Class, to help raise funds. It was a very fun event which is sure to become a tradition like the Powder Puff game.

The Powder Puff game was scheduled to be March 9th, but due to unforseen cirumstances was postponed until April 6th. The special events in this years Powder Puff game were the PP King and Queen, performance given by ROTC, and the special treat sponsored by Senior Class. Our very own RHS band gave the half-time highlight. And of coarse the Senior and Junior team which made the whole event possible.

"Ralph! How dare you"

"Monica! Look at that one"

"By George- I think I've got it."



"Hmmmmm, if only she'd notice me."

Christmas Ball 1983

"Stand still, now".

THE CHRISTMAS BALL

The last dance of the 1983 year was the festive Christmas Ball. This dance was held in the boys gym on Friday, December 16 from 8 pm to 12 am.

The gym was decorated with many Christmas items including a beautifully lit Christmas tree and snow on the dance floor.

Pictures were also taken for those who wanted to treasure this lovely occasion. Before the night ended the traditional King and Queen were announced. The winners were Seniors Elmer Palacios and Sokie Quintero. The royal couple danced a slow song together.

All in all, everyone who attended would never forget this joyful evening.

"Smile your taking a picture ".

"Rachel freaking-outi".

Sweethearts Ball 1984

A tremendously great job was done this year in planning out the annual Sweethearts Ball. It was the largest turnout ever. 250 guests were expected, but surprisingly about 400 attended.

The dinner/dance was held on Feb. 3, 1984 at the beautiful Holy Cross Armenian Apostolic Church Hall. This year's dinner was somewhat different compared to previous years. It was a buffet dinner, which meant that all who attended could eat as much as they wanted of the variety of food. In fact, there was no time limit on eating, the guests could eat all they wanted- all night. The guests were also entertained by the marvelous Break Dancers.

There was much to do throughout the night. Some danced the night away to the electrifying sounds of the D.J.'s, while others sat and talked to dates and friends. Pictures were also taken for all those who wanted to cherish the evening.

As the end of the evening drew near some were awarded various recognitions. For instance, for best dressed were Diane Valdez and Ray Garcia. Cutest Couple: Sergio Mendoza and Maria Tapia. Best Dancers: Annette Hundley and Steve Aguilar. But, the most exciting was the announcement of the King and Queen. This year's King and Queen were Raul Diaz and Yvette Sierra. All in all, it was an unforgettable evening for those who attended.

"... All night long"

"OOOH NOOOO it's Mr. Bill"

"Whatch-you talking-about Mr. Kendrick"

"Look at that hunk over there"

"Trip out on that couple over there"

"Why is he making faces?"

"Liquor? Us serve liquor?"

"Now don't we look cute"

"Now what am I going to tell mom"

"If only she didn't go so fast"

"He went thataway"

"Oh my god"

MONEY-MAKERS

One of the many pastimes passed during school is eating. This activity seems to brighten up people's faces. Although the cafeteria food is delicious (good joke) students tend to appreciate the afternoon sales sold by different clubs.

Students selling these afternoon snacks, also enjoy getting their fingers into the food. "What you don't know won't hurt you".

Fill it to the top.

Halloween

Clowns, Witches, Gypsies, Magicians, Genies, Pirates and Superman were all in our campus as students paraded their creative costume. Participants and spectators enjoyed this special day.

On Saturday, October 29 the Fifth annual Halloween Dance was held. Students enjoyed themselves dancing, comparing costumes and just having fun. As one student put it, "It was Great!"

JUNIORS SHOW RIDER SPIRIT

"Don't look."

"Looking our best."

"You can't stop now."

"Don't let her hear."

"Juice does a body good."

SOPHOMORES • SOPHOM

"Class Of 86"

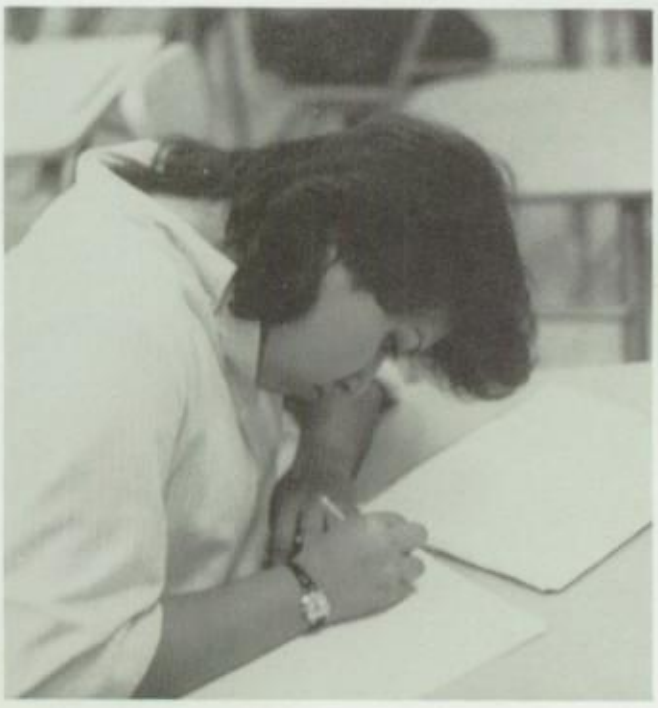
A friendly gathering.

Cheese.

Best of friends

Mr. Delgado and Corrie, embraced in a friendly hug.

Are you serious?

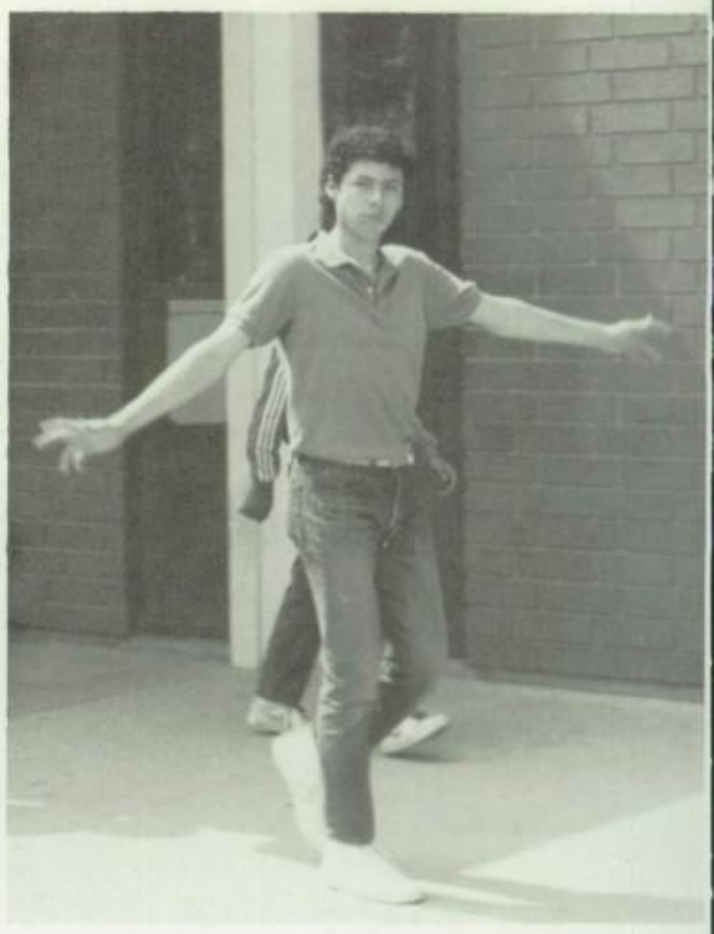


If I only a had a brain

Hey! Do you see what I see?

NEW ARRIVALS

Hanging around together.



Let's pop.

Let's get a move on.

Here I am!!

ACADEMICS ACADEMICS

Academics

What was started as an integrated educational experience, back in 1978, has developed into an intensive academic college preparation program here at R.H.S.

The R.H.S. Magnet, headed by Magnat Coordinator Jo-Ann Ruffalo, is a dynamic and extensive critical thinking program designed to give students the necessary skills to succeed in college.

This program will also help develop a healthy self concept that students will need, to face any situation in life by tapping hidden talents and potentials withing all students.

Magnet classes offered at R.H.S. are Science, English, A.P. History, Math, and the College Prep. Seminar.

The main requirement which is needed to be in the Magnet Program is a strong desire on the part of the student, and also to face the plans, unafraid, which they've made about their future collegic success.

Mr. Landa, Jo-Ann Ruffalo (Magnet Program Coordinator), Ms. Thompson, Ms. Tambara.

Roosevelt High's College Core Curriculum (C.C.C.) is based on intense academic requirements. It provided educational experience and opportunities to strengthen and refine academic skills.

The purpose of the C.C.C. is to offer a program of classes that will help students prepare for admission to a college and to be successful there.

Students are required to have a six period academic program that will prepare them to meet the revised and more difficult university admission requirements. They are expected to take classes from the following subject areas: English, Foreign Language, Mathematics, Science, History, and Social Sciences. C.C.C. students are allowed to take some electives, but these are limited.

One of the most important aspects of the program is the development of motivation. This is done through the teachers, the counselors, and the College Corner. They work closely together with the students both helping and encouraging them in every way possible.

The program mainly aims to have each student strive for excellence in order to make the transition into higher education. However, there are certain conditions that a student must agree to follow before he becomes a member of this prestigious program.

Roosevelt is indeed very fortunate to have such a wonderful program. With its highly qualified staff, hard working students, and with the help of Mrs. Dolores Seidman, C.C.C. Counselor, this program has been a success. In fact, this year the program will have its first graduating members.

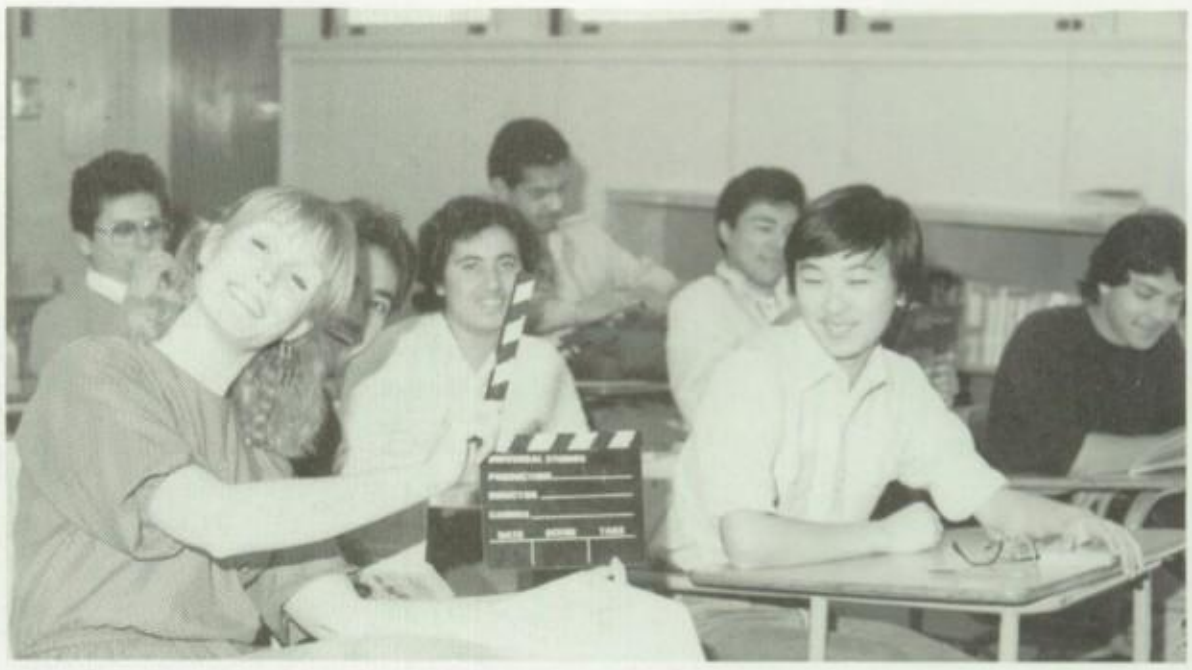
Academics Advanced Placement

Roosevelt High School as well as many other schools, offer an outstanding program which allows ambitious students to further themselves in their education. Advanced Placement Courses are in given Fields such as French, Spanish, U.S. History, English, and Calculus.

Much time and preparation is expected when taking Advanced Placement course. This program is designed for those students who have had previous knowledge in a particular area. A desire to learn, a good grade point average, and alot of patience are all needed in order to be in this program and to succeed. In order for one to pass some of these classes one must strive for an A, B, or C letter grade. In order for one to receive College credit and/or units, one must pass a very difficult test.

The coordinator of this program is Mr. Deckel who has had this position for the past four years.



Is this A.P. Drama, or A.P. English?

Some like to smile while working.

Rudy, Ebby, and friend seem to be having a nice conversation.

R.O.P. Girls' Week

Terry Gudino and Ms. Segal looking over some maps.

Terry Gudino (Teacher's Assistant), Ms. Segal (R.O.P. Advisor), Blanca Lomeli (Teacher's Aid).

Back in 1972 The Regional Occupational Program was ntroduced to Roosevelt students. For the next twelve years his program was practically unheard of. This was until Mrs. Segal took over the program one year ago. When she became R.O.P. and Work Experience Counselor the R.O.P. program skyrocketed. Mostly every student here at R.H.S. has heard of R.O.P., and a great deal of students are now enrolled in this program. The difference between a regular course and an R.O.P. course is that an R.O.P. course will mainly teach you a skill. These skills go any where from computer occupations, to health care occupations, and even industrial occupations. There are many fields to chose from. Some of these courses are taught here at R.H.S., However, most of these courses are taught out of the campus. High school credits are given to students who take one of these courses, so if you feel you need extra credits then sign up with Mrs. Segal in A-204.

Luz Pelayo, Mrs. Pelayo, Pat Vasquez, Liz Solis, Martha Herrera.

The Girls' Week event was held from March 26 through the 30th. This year it was very successful. Important guest speakers came in to influence girls to do their best in life in order for them to be successful. There was a contest set up by Mrs. Ruffalo who also coordinated this event. Girls who were interested wrote an essay explaining who was the woman which made an impact and/or who greatly influenced their lives. The winner of this contest was Luz Pelayo, a C.C.C. student. Her prize was a lunch date with the school's principal, Mr. Ronquillo, at a very elegant French restaurant in Hollywood. Pat Vasquez placed second, and Martha Herrera placed third, both of them received an award and recognition for their outstanding essays. Girls' Week was more than just guest speakers and contests, it was a great learning experience for all girls, it was also an event which will be long remembered by all those girls who participate.

Mr. Ronquillo congratulating Luz and her Mother for Liz's outstanding essay.

Academics-College Corner

Denise and Chuy help two students while Mr. Kendricks interrupt.

Chuy, Lena, and Tony seem so bored.

Tony Solorzano has been in charge of The College Corner here at R.H.S. for the past nine years, and he's been doing a great job! Tony's assistants are Jesus Garcia (Partnership Program Adviser), Chuy Arriaga, and Denise Rivera. These four people will help anyone who has a question, or who needs to complete an application.

The main function of The College Corner is to provide students and parents with information concerning colleges around the nation and around the world. The College Corner staff help students complete financial aid forms, they help them with admission applications, and they provide them with other necessary information.

During the Fall semester guest speakers from top colleges across the nation came in with information to attract students to their college. The College Corner sponsers many summer programs and over night trips to various colleges for students who are interested.

Jesus Garcia (Partnership Program Adviser), Tony Solorzano (College Counselor & Financial Aids), Chuy Arriaga (Teacher Assistant), Not Pictured - Denise Rivera (Teacher Assistant).

Come and kiss me baby!!!

Hey guys, what's all the commotion? asks Dana.

Academics-Foreign Language

Roosevelt High School is one of the ghest ranking schools when it comes to reign language. It is one of the few hools in the Los Ang les Unified School strict which has a wide variety of For- n language to choose from.

Students are now recognizing that for- n language is one of the requirements the A-F course which is needed to en- a university or college. With this in nd students are taking more and more reign language courses in order to be cepted into a university. In fact there e many students here at Roosevelt that ve chosen to major in a specific foreign nguage course.

There are courses such as: Spanish, ench, Italian, Latin, Russian, Japanese, d German.

Ofelia would much rather stare than work.

I really don't like to smile.

French is a Universal language.

Studying is my strong point.

. Zea and Rosa must like what they're seeing.

A.P. Spanish is a hard subject.

Esther and Myra are paying real close attention.

Skills

Liz is too busy doing her homework to type.

There are many skills that students here at R.H.S. can learn. For example, there are Business classes which can be taken in order to determine whether or not you want to pursue a career in business. These classes include Typing, Accounting, and Applied Economics. The above classes enable the students to further his/her interest in the business world.

Roosevelt also has classes in Home Economics, Industrial Arts and Fine Arts such as foods and management, drafting, music, and ceramics. Also included is electronics and auto mechanics. If you want to develop a specific talent or skill any of the above courses will help you. If you find that any of the classes named here are suitable for you, then take them. Not only are they fun but they can also expand your horizons.

Their games were played on Mondays against the schools that the Bee's and Varsity had played on Fridays. This team is the Mighty Roosevelt JV Football Team.

Throughout the football season they only had five scrimmage games in which they never kept score. The games didn't have any punts nor kick-offs.

Although most of the schools didn't have JV teams, the Rough Rider team proved to be the team to beat. One of the disappointing games was against the Wilson Mules in which the Mighty Rough Riders lost to the Mules for the first time.

This JV squad had talented players such as Sophomores Hector Garcia, Walter Villegas, and Richard Contreras. Coach Endow was very pleased by the squad's performance throughout the football season and promises a good season for the next football season.

It was a Friday afternoon and the bleachers were alive with the encouraging cheers from the cheerleaders and the enthusiastic crowd. It was Roosevelt's first day game and one of the spectacular highlights of the season. Our mighty Riders defeated the Hollywood Shieks.

This was the beginning of an unforgetable season for the Riders. They began to prove to the fans that this year was the Rider year by beating the Wilson Mules with a score of 10-7.

The Riders kept on defeating their opponents, but unfortunately The Riders were stopped early in the season by the crucial loss to the Lincoln Tigers and at the end of the season by the Franklin Panthers and also by our croo-town rivals the Garfield Bulldogs at the 1983 East L.A. Classic. Still our mighty Rough Riders qualified for the city play-offs in which they faced the undefeated Reseda Regents with the score of 6-19 in their favor.

This years players demonstrated on and off the field, the pride that brought them all together and lead them to a winning season with the help of the leadership and talent of Seniors John Rose, Hector Sepeda, Javier Cid, Simon Canten and Marcelo Cruz. All of whom were the reason for the teams success. Also, with the talent of the Juniors Mario Gracielita, Clestor Molten, Peter Cuevas, and Ruben Pena which will also be the key players for next season if they are eligible to compete. Coach Drake stated that it takes a lot of dedication and love of the game to become what we are-#1.

Riders, were rough and tough!

One way to describe this years BEES, would be AWESOME. The team was well balanced, and very courageous. "OUR VICTORIES CAME" BY" A LOT OF HARD WORK, PRACTICE, TIME, AND DEDICATION".

To prove our outstanding Performance, we had our nominated all league offense player, VICTOR GONZALEZ, and all league defense player, RICKY MERCADO. They were awarded by coaches of the northern league.

"WE HAD A TEAM THAT WAS LIKE A FAMILY, EVERYONE CONTRIBUTED IN THEIR OWN SPECIAL WAY". As for the 10 graders, Coach Rodriguez felt that Rocha and Galindo had a good season, and will help the varsity team next year. Next year we will have a good start, with returning players, Thomas Garcia and Miguel Quintero, as running backs.

With a defense motto "TO SEEK FIND AND DESTROY", no wonder our defense was one of the best. Bautista said "I was very pleased with the results of the season". Coach Rodriguez said "We're happy that our athletes work hard at their grades". It seems that the "C" average no fail rule has not affected our fabulous BEES. Juan Espinoza #54 of the BEES said "We had a lot of success because we had a strong hard hitting defense". Joe Zarate #64 of the Bees said, "We had a strong offensive line which helped us score a lot of points on other teams". Adrian Chavez said "We had a good BEE team except they sometimes got Big headed. Whatever it was Good Luck to next years squad.

The Riders had a successful season by capturing the Eastern league title and losing only to Belmont high, ranking them 2nd in the city.

Their hard long hours of training paid off when they finished with the best season they ever experienced.

The Varsity won all their meets and became Eastern league Champions. But, dissapointingly, lost the city finals which were held at Pierce College.

"This was the best team I've ever seen since watching here at Roosevelt" exclaimed, coach Telliano. The boys had pride, team support and the determination to win and, they did".

There will be many returners next year and, hopefully, hard work and the desire to win will allow our Varsity to gain the city title.

The J.V. team was very competative and put out a very good performance. The team's runners were strong and determined, as you, will see in the results. For instance they were 2nd in league but at the league meet they came in 1st place. They showed great strength against Marshall, Garfield, and South Gate.

The boys believe that all their accomplishments could not have been possible without hours of hard work and a supportive coach like TELLIANO. The boys hope to improve, they were satisfied with their results but hope to make next years team better.

Coach Telliano believes that this years J.V. team had "strength". Though he was impressed with this years results he doesn't believe that the boys perform to their full potential. Telliano states that the boys strongest performers from this years teamare Hugo Cortez, Raul Romero, Manuel Olivares, and Ballet. Telliano hopes for a larger and stronger team next year.

Under Coach Tellianos direction the Rider Cross-Country Team placed fourth with four wins and three losses. The team was supported by the strength of two team members, Ralph Ortiz and George Oseguera who went to the city pre-lims. When asked which team was the most difficult in competition, the coach responded "South Gate was at the top". Telliano feels that City Championship will definitely be captured by the Roosevelt squad with the return of Ralph Ortiz, George Oseguera, Francisco Celis, and Norberto Arreola.

Girls who turn out for Cross-Country are very dedicated and train year round participation in both Cross-Country and track. Next year the girls course will be increased to 3 miles instead of the present 2 miles. Coach Telliano predicts that with the return of the city pre-lims winners: Carmen Garcia, Dora Perez, Rosemary Diaz, Myra Medina, Letticia Bautista, Blanca Mora, Belen Soto, Maria Fuente, Sylvia Alvarez, and Susan Reynoso, a finalist in the city. With alot of hard work and the support of new Sophomores, this team the league championship or die trying, Coach Telliano stated that "Girls will be lean and mean in the city league".

As the season began for this years new and unexperienced Varsity squad. There were many things that the team needed to improve on the game to be once again the toughest team to beat, as in the previous years.

One of the most important things that the players needed to work on was working as a team. Maki stated that "we have the individual talent that a championship team has, but with no team work because of the lack of returners, this season can be called the year for building up a great team for next volleyball season.

Coach Maki said "I hope that within the season I will expect a better improvement on this years Varsity Squad if they can only get it together."

Coach Maki has mentioned team work and unity, yet he realizes that this season will still be a year to be remembered by the "MIGHTY RIDER FANS."

As the Volleyball season began the girls Varsity Volleyball team didn't look like city champions as previous years. Although it was to early in the season to predict.

Carmen Lopez, a senior was the only returning player. This showed the lack of experience in this young team. As the season progressed the Varsity squad proved to be another winning team as in the recent victorious years. But in the second round the dreams of obtaining the Eastern League title was shattered by the crucial loss against the Lincoln tigers. After the season was over, The Mighty Riderettes had qualified for the third consecutive year, to the first round city play-offs.

Once again Our Mighty Volleyball team had the chance to be the best in the city. But the third time was not the charm. In the city finals the Riderettes faced the Fairfax Lionettes for the third year. In which the Fairfax Lionettes were finally victorious over the Mighty Riderettes with the scores of 4-15, 9-15. Coach Maki said jokingly, "They finally got their revenge on us". Overall it was a pretty good season considering the only returning player. Yet, there were some outstanding players that helped the team throughout the season. and Cheryl Stephens a sophomore. The returning players will be many but the elligibility of them will be the key to next season.

THE MIGHTY JV GIRLS VOLLEYBALL

This years mighty Riderettes had a sensational season by capturing the Eastern League title, and ending the season with a 9-1 record. They lost only to Garfield, their toughest game in the season. Coach Maki commented on this by saying "The girls lost only of themselves". The girls practiced hard each day to achieve their goal of winning the title and fortunately it all paid off. The main ingredients that helped the girls to succeed were team work, determination, and plenty of hard practice. And it worked when the girls walked off with the Eastern League title.

VARSITY SOCCER

Our Varsity Soccer Team had a good season over-all. "We didn't do good in league, but the players got a good experience of playing the game", said coach Roura.

One of the reasons was the lack of experience of the players. The Varsity Squad this year had one returning player, Miguel Barajas, a senior. He was an excellent player as well as a leader. Out of 18 players there were 11 tenth graders, 6 juniors, and 1 senior. Also, this year was the first season ever, that the soccer team played at their home field. "This made it a little bit harder for this young team to play their full potential.", stated coach Roura.

Next year will be a promising season if the returning players are eligible to compete. Such returners are Julio Salcedo a junior, David Parra a junior, and Nelson Pimental also a junior. This will be the key players for next season.

"Coach Roura helped us alot. He tried his best for us to improve through out the season, but the luck wasn't on our side", said Miguel Barajas captain of the Varsity Soccer Team.

Varsity Boys' Tennis

The 1984 Varsity Tennis season has begun under the watchful eyes of a new coach. Coach Dave Perea, has replaced Ms. Teresa Farrada who has taken a new Coach Perea is well known for his basketball coaching abilities, and plans to show his alternate skills at tennis. Can coach Perea develop another outstanding reputation for tennis as he did in basketball? Well, his players most certainly think so. Coach Perea has plans for his squad this season. "Quality workouts with emphasis on quickness and development of a winning attitude are foremost for providing positive results" said coach Perea.

The teams' strenths are in five "swingers" who have been seasoned with expereince and talent from past seasons. The hot rackets belong to Junior Juan Diaz and senior Eddie Barbosa. These two players are ranked as top competitors in the Eastern League.

Bell H.S. has been a real nemesis for the Roosevelt team in the past with Eagle Rock and San Pedro also providing keen competition. Coach Perea stated that "Roosevelt's team will overcome these schools providing that they do their homework." In recent seasons Roosevelts team has provided the school with recognition and reputation for sportsmanship conduct. Coach Perea feels that this years league championship is within their grasp because of the highly determined players on the team.

Coach San Giavanni said they did better than they had expected. There were only two seniors the others were underclassmen. Half of the team were returnees. The team best players include the most valuable players senior Esher Colorado, Junior Rosanna and Lizeth peniagues. These girls made it to the city playoff won the first round. In spite of these enthusiastic effort they lost the second. The toughest game was against Eagle Rock with the final score of 7-0. Sports

As the season progressed for this year's varsity basketball squad. They proved to be a challenging team for the Eastern League title yet with 7 wins and 2 losses to Wilson, and a crucial loss to Belmont. They ended the season in second place behind Wilson.

Coach Perea was disappointed by the team's performance in the first round. One of the reasons was the fact that this years team were unexperience and also, they were not a consistent team.

Over all, this was an exciting year for the Rider fans by proving exciting basketball games. Also, by being qualified to the first round city play-offs in which the Riders were unsuccessful against Jefferson.

This year's success was due to the hard work of coach Perea and the determination of the team. Such players as senior Ruben Velasco and junior Santos Robles were honored to the first team All-League. Junior Fred Wade was named to the second team all-league also, Senior Derek Beal and Junior Alfred Ayala were honored the leagues Honorable Mention.

Coach Perea believes that next year will be the year of the Riders to obtain the league title with the 7-returning players which will bring to the Mighty Rider fans a basketball season to be remembered.

Although the season looked promising in the beginning, the girls finished with a record of 5 wins and 7 losses. The toughest opponent was Franklin High because of the height advantage of their team players.

It was an intense season with the help of some outstanding players. Sophomores Cheryl Stevens and Sylvia Lopez were selected the team's Most Valuable Players.

The returning players will be Sylvia Lopez, Cheryl Stevens, Noemi Chavez, Nancy Hashizume, Kathy Raya, and Patsy Gonzalez. Coach Williams stated "With this core I'm going to have a strong team again next year".

With a season record of 13 wins, and 1 lost against Belmont, just by a point in the final second of, the first game in the first round. This year once again, the Roosevelt J.V. Basketball team captured the ***Northern League Title.***

At the beginning of the season, Coach Perea didn't expect this team to be as successful as they were. One of the reasons was the lack of height from the team mates. Yet, they had the speed, skills, and were also a very consistent team towards their opponents.

The key players were juniors, Danny Rodriguez who lead the team on scoring and was also, named the leagues M.V.P. Sophomores. Mark Martinez, John Monreal, Danny Hernandez were named to the all-league team. Also, sophomores, Louie Hoyos and Robert Fierre were honored the leagues Honorable Mention

Over all coach Perea felt that this J.V. Basketball Squad record has been the best since he began coaching at Roosevelt. One reason for this years success has been in the players determination to improve their skills and wanting to be #1.

The all league Bee's division, although starting slow, picked up during the last half of the season, and finished in second place with a 7 win, 3 loss record.

The Bee's co-most valuable players on the 1st team of 1983 were Saul Miranda and Alex Garcia. They each averaged 13 outstanding points a game in the league play.

The Bee's co-most valuable players for the second team were Eddie Najera and Roger Zendejas. They both kept the team on their toes and helped make the Bee's Basketball team a tough and memorable team to compete against.

The team's Coach, Mr. Ipp, made it possible for the team to come in second place. He worked with the team and taught them to have pride in which ever way they played.

The Varsity Baseball team has made an outstanding accomplishment this season, considering that only two players have returned from last years team. They seemed to have improved almost 90% of the players abilities. The two returning players are, third baseman, Francisco Escamilla and Catcher, Mathew Maldonado.

Frank and Matt are the teams backbone since they have experience and knowledge of some of the other teams stratedgies. According to Coach Drake, "all of the games seem close, if only they stay one point ahead instead of one point behind."

With the determination that this year has and the long hours of practice, coach Drake feels that the Mighty Rough Riders will have a good '84 season.

The 1984 GIRLS VARSITY SOFTBALL team is overflowing in talent, potential and tough ROUGH RIDER players. The question is, will this be the year the girls win the Eastern League Title? Maybe. According to their coach, Joe San Joaquin, the girls are eager to win and have dedicated long hours improving fundamentals. He also said that the girls give it their best shot in any game/ whether it is a major or minor game. With a softball team made up of veterans players like Lorena Lopez, Jean Sierra, Angie Moreno, and Sandra Pace, they form a competitive team.

When the season began for the J.V. Baseball team, there were many hopes for this young and talented team.

Coach Endow said, "that the teams weaknesses were one of the keys for this slow start in the early league games." For example, he mention, "the pitching needed to be improved, that the team lacked experience, and offensively the team needed to improve on their hitting, so they could be able to be victorious over their opponents".

Some of the better players were Juniors Mario Bravo, Ruben Lopez, and Sophomores Antonio Gervacio, and Octaviano Mendoza.

Sally dancing her play away.

With the new softball season still on its way, Coach Mori is expecting that this J.V. softball team will end up taking the league title. Coach Mori feels that if the girls are determined to work as a team, they can easily obtain the title for the first time as a J.V. coach at Roosevelt.

Coach Mori believes that the talent is there, yet he feels that two of the key players defensively and offensively are Letty Casillas a senior and junior, Maggie Ortiz. The pitcher Margarita Placencia has been providing the team with her pitching ability which helps the team defensively.

Coach Mori feels that this season will be something to look forward for the "Rider Fans" to cheer and support the Riderettes by attending to the home games.

R.H.S. has been represented by great track teams in the past and fortunately this years track team is no different with a very promising season. The Rider team possesses good runners such as Susan Reynoso, Leticia Bautista, Carmen Garcia and Blanca Mora. Cheryl Stevens is also a very promising player in shot put, and Pat Repulse in the long jump. The coaches stressed that Huntington Park will be a tough team to beat. They also said that Garfield has some good competitors. This year the team will lose Martina Morales, one of the teams best hurdle jumpers, and Lorena Ruiz and Irene Arreola, two promising runners who possess a lot of talent. Coach Garcia says that the team has a tremendous chance of placing in Second to the City finals.

Susan, Striving to be #1.

This year is off to a great start for the Boys Varsity Track Team with the tremendous efforts and help from returning Seniors Enrique Aparicio, Tommie Lott, Jesse Bustamante, and best of all Adrian Chavez. Because of these Seniors, as well as the rest of the runners, this years track team looks very promising. Undoubtedly, the team will do their very best to defeat all competitors. Thus far it seems as if many of our Rider runners will make it to the semi-finals, or even city finals to clench the All City Title. We have an excellent track team that works very hard to accomplish the goal of being Number One.

Bee's on the run ...

Our Mighty Bee's Track Team looks very promising this year. The runners are determined to work hard and become the best.

Although the track season has just begun, the runners show a great deal of pride and confidence, Juan Campos, a runner who provides the leadership is doing an excellent job.

The track team is also very enthusiastic about their practices and how well they express their showmanship. The track team is very fast and vulnerable. Coach Telliano says "They will really hit it big this year." He is very proud of his runners and hopes that they stay the way they are, the best!!

ttom Row: George Mora, Ralph Ortiz, Juan "Pee Wee" Campos, Armando Manzano, Alberto Lopez, Hugo Ixco.

Our Mighty Cee's Track Team this year looks like a very promising group of runners who are determined to work to become the best that they can be.

Although the track season has just begun, the runners show a great deal of pride on what they do. With such runners as Juan Campos, who provides the leadership, Art Gonzalez in the long distance events, help the team obtain points; also George Ramos with his ability in the high jump and the long jump. With the help of these three runners as well as the rest of the team, this team has the many strengths that it needs to bring an exciting track season for the many "Rider Fans" to enjoy.

This year proved to be a building season for the boys gymnastics team. A large supply of enthusiastic and promising young gymnasts balanced the deficit of the few returning veterans. Under the watchful eyes of Coach Bautista and with the experience of Ramon Martell and Juan Ayala, the boys were inspired to work toward another league title. Coach Bautista says that this will be a year of rebuilding the team because most of the guys are 10th graders. There is a lot of potential and he feels they will do well in the league. There is now 40 members but only 20 will get the previlege of competing. The strongest events for this years team will be the floor excercize and the vaulting. There has been a new releaguing and there will be some tough competitions for the Riders. Coach Bautista feels that the gymnasts should develop their potential and work harder. His only wish is that they stay healthy to compete their best.

Boys' Gymnastic Schedule

Front Row: Adam Carrillo, Jose Herrera, Joel Chavez, Mario Ricon, Frank Juarez, Jesus Alvarado, Jim Diep, Jose Martinez.

HOLD ON TIGHT!!!

The prediction for this years Gymnastic Girls wasn't too optimistic. Because of the lack of returnees and the increase in inexperienced girls, Coach Perez had to put in more time at practice in developing skills to insure wins.

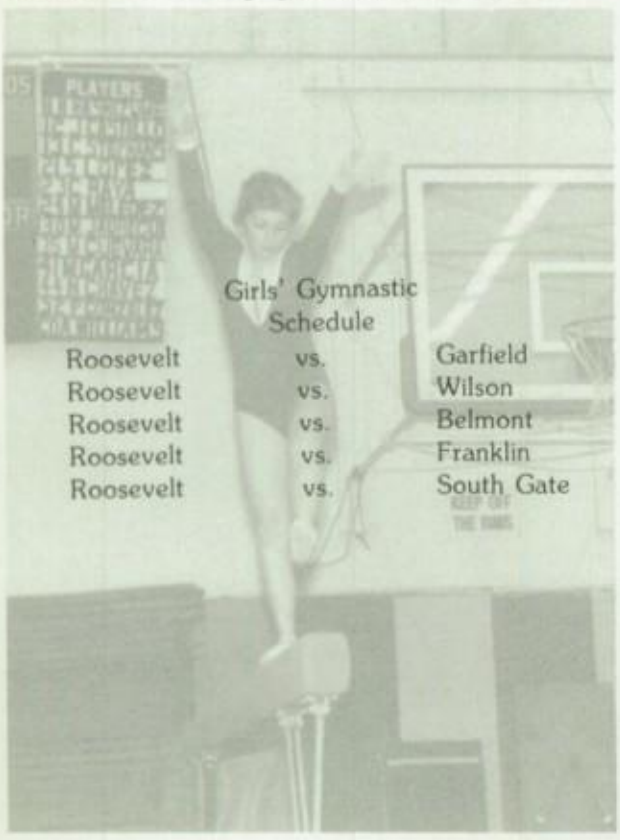
A returning gymnist, Ana Covarubias, said that "We're giving it all we have but that may not be enough for the Championship." Ana, along with other returnees, gave encouragement and pushed the new girls to greater achievements.

Although the girls were inexperienced they put it all together in a challenge against Garfield. The girls sure of themselves went for the win, and beat the bulldogs with a score of 137.1 to 60 pts.

Wilson who has always been a very competative team, repeated their performance this year with a mere 2 pt. victory. The girls depressed about the loss against Wilson have vowed to meet the challenge next year.

With this in mind the girls maintain their spirits and determination to be #1.

Roosevelt's squad hoped that this year would serve as a model to help them rebound to a top position next year.



Girls' Gymnastic Schedule

BOTTOM ROW: Rosa Lara, Liliana Gonzales, Alma Gallardo, Lourdes Valle, Angie Davila, Lupita Gutierrez, Adela Viramontes.

"What a great move, Ana!!!"

"Don't fall."

The Varsity Swimming Team can best be described as totally AWESOME. The squad proved their superiority by crushing the rival Bulldogs with a lopside score of 130-25.

Huntington Park and Southgate provided the most challenging competition for the mighty team. The Roosevelt squad defeated H.P. by a score of 93 to 72; and Southgate also met the same fate by going down to a whirlpool defeat of 103 ½ to 63 ½.

Landslide victories proved to be the menu for the day when the local teams came up against the seasoned and spirited Rider team.

This is one of the many reasons why this Varsity squad obtain for the first time the EASTERN LEAGUE TITLE.

"Just when you thought the water was safe."

"I'm almost there."

Angie awaits the starting gun shot.

Throughout this 1984 Swimming season, the Mighty Varsity Riderettes have shown a great deal of talent.

With such swimmers as senior Angie Tellechea, in the 200 Free style and in the 500 Free style, also Juniors, Gabriela Gonzalez with her swimming talents in the 200 individual Medley and in the Butterfly swimming event, also Helen Ibarra who is the fastest sprinter in the 50 yd. Free style sprint with the time of 33.6 seconds helps this Varsity squad by providing the necessary points to obtain a Mighty Rider victory.

This Varsity squad puts a lot of time and hard work on what they do. They are determined to bring to the Mighty Rider fans the long and famous tradition of being #1.

Frosh-Soph

Top Row: Angel Garcia, Humberto Martinez. Bottom Row: Jose Escobedo, Ricky Contreras, Gerardo Zuniga.

The 1984 Swimming season proved to be a successful season for our young, but talented freshmen-Sophomore squad.

With the tremendous swimming skills of sophomores Rick Contreras, Angel Garcia, Humberto Martinez, Jose Escobedo, and Gerardo Zuniga helped the team by proving to be the best in league. They were determined to work hard and develop those important skills required to finish first in the Eastern League.

Another Swimming season has just begun for this young and unexperienced girls sophomore squad. Yet with the lact of swimmers and swimming meets which makes it very difficult to get the experience that these young girls need to improve in their swimming events. Still there are many talented swimmers in this team. For example Jeannie Fernandez, Dinorah Estrada, and Lidia Mercado have shown a great deal of talent that will surely help in the next swimming season.

School Staff

Henry Ronquillo, Principal

YEAR OF RENEWAL AND DEDICATION TO OUR TRADITION OF EXCELLENCE

Tradition, pride, achievement, and academic excellence are qualities that have been associated with Roosevelt High School since it's doors first opened in 1923. People everywhere know our fine reputation. I knew it as a student (1951-54) and as a teacher (1964-66). Now, as your principle, I am even more aware of it.

Our reputation is strong because we have dedicated students and staff who work together for the betterment of our Roosevelt family. The classes of '84, '85, '86 will continue to maintain our outstanding reputation. This year our Roosevelt family took renewed pride in all areas. More students took advantage of our broad educational program, especially in academic areas. This year we:

- restored the sixth period for all students.
- expanded counseling services to include evening hours
- increased the number of scholorships offered
- Expanded our career opportunities program, and
- opened our first computer laboratory.

The pride and dedication of our Roosevelt family has also shown itself in a successful campus beautification program. Our school was painted for the first time in over 40 years.

Finally, we took pride in having our school selected as an Olympic training site. This summer Roosevelt will open it's doors to other Nations and they, too, will experience "Rider Pride" and become part of our rich "Tradition of Excellence."

Roosevelt High School ROTC has a long history of active participation in school and community activities. ROTC provides color guards to present the flag at school functions where Roosevelt is involved. The cadets also assist the atheletic department in security and crowd control at both on and off-campus activities.

The batallion regularly shows it's marching skills at local parades and competitions throughout the school year. Cadets attend daily classes in ROTC instruction as a part of their Roosevelt curriculum. For over 50 years the ROTC has been a part of the Roosevelt tradition of excellence.

Spring Student Council

Student Council has been different this year in comparison to previous years. All the Student Body Officers and Class Officers are females. This is a strong indication that women are on the move in all aspects of leadership. They have proven to the students of Roosevelt High School that they can do a fine job. Resiris Paniagua, Student Body President, has been a strong influencial leader. She knows how to motivate people to cooperate. The students respect her decisions and her leadership.

A major Student Council goal has been to improve RHS spirit. The mural painted on a wall near the Boys' Gym proclaiming "Home of the Mighty Riders" is an example of our efforts to raise school spirit.

Another major goal has been to involve students in community projects. The Voter Registration Drive is one of such projects. Roosevelt students have volunteered hundreds of hours and have registered more voters than any other project participant. We are proud of our students and of their commitment to the community.

ME

TO: JENNY:
A BEAUTIFUL YOUNG WOMAN I MET LAST YEAR IN SUMMER SCHOOL. YOU WERE EAGER TO LEARN AND DETERMINE TO PASS. NOTHING WOULD STAND IN YOUR WAY. AT TIMES YOU WOULD ASK ME WHETHER THIS ANSWER WAS RIGHT OR ARE YOU ON THE RIGHT PAGE.

WELL, THERE WERE TIMES WHEN I WANTED TO ASK YOU THE SAME QUESTIONS. THE ENDING OF HIGH SCHOOL IS NEARING AND SOON EVERYONE WILL GO THEIR SEPARATE WAYS, BUT I FEAR THAT I'M LOSING THE CLOSEST FRIEND I EVER HAD. WHEN THIS COME IT WON'T BE GOOD-BYE, IT'LL BE SO LONG.
